

Schedule of laboratory:

Polymeric materials - laboratory (Tuesday 7:30-11:00)

Group code	Tuesday 7:30-11:00							
	02.10	09.10	16.10	23.10	06.11	13.11	20.11	27.11
A	0	4	1	5	2	3	6	7

EX.	Title
0	Introduction
1	Water regain and swelling properties of polymers
2	Sorption of phenols
3	Ion-exchange process
4	Preparation of polymers by suspension polymerization
5	The method of preparation of polymer membranes and their application in proper water treatment processes
6	Identification of polymers and polymer materials
7	Additional term
